Union Dues

Pay your dues!
It's your **DUE**ty!

- \$119.25/quarter (2019)
- Remember that dues **MUST BE PAID EVERY QUARTER**. This means at the end of **March, June, September, and December**. If you do not pay on time, there is a **\$20 late fee**. Avoid this fee by paying on time. You can tell when your dues expire by looking at your little yellow ticket and checking the paid through date. You should have the next quarter paid by the last date of your paid through dates.
- For your convenience, you may pay online with a credit/debit card. Paying online is easy! Go to ibew668.org. Enter your last name and card number. Next, go to the pay dues tab on the right. You can pay dues by the quarter or use the custom payment tab and enter any amount if you have a prior balance. We have moved away from cash so online is an excellent way to pay! While we can still take cash, we have no change.
- Until you start collecting your last pension (PBF), you must continue to pay dues.
- Starting **2020** dues will be **\$122.25/quarter**
